

Big Sky Post

From our London & Paris studios, Big Sky Post collaborates with leading artists, brands and agencies to deliver everything from integrated campaigns and editorial, to high volume commercial imagery.

We specialise in stills retouching, motion editing, grading, on-set services, digital capture, VFX and GMG certified proofing. Working to tight deadlines; delivering in various time zones and always to strict budgets.

We are a full service studio, offering tailored work to the highest standard, with a personal touch.
