

Big Sky Location Catering

Big Sky on Location launched in 2017, and has catered for a wonderful array of fashion shoots, filming and events ever since.

If the client would also prefer us to set-up the day prior then there will be an additional charge for the set-up time. This is charged at the overtime rate of £150+vat per hour. This is on a job by job basis and is at the discretion of Big Sky. Due to the nature of the job it is understood that days can run longer than expected. However, please note that a minimum of 10 hours between jobs when finishing at the base to arriving back at base is required. Whether that be to N7 9QH or provided accommodation near the location.
